B. Past Performance Questions. For questions 1 – 16 below, circle the appropriate letter for each item on the questionnaire and provide supporting comments. (If more comment space is needed, attach additional pages)

Explanation of codes:

E     Exceptional – performance meets contractual requirements and exceeds many requirements to the Government's benefit. The contractual performance of the elements being assessed was accomplished with few minor problems for which corrective actions taken by the contractor were highly effective.

V     Very Good – performance meets contractual requirements and exceeds some requirements to the Government's benefit. The contractual performance of the element being assessed was accomplished with some minor problems for which corrective actions taken by the contractor were effective.

S     Satisfactory – Performance meets contractual requirements. The contractual performance of the element being assessed contains some minor problems for which corrective actions taken by the contractor appear or were satisfactory.

M     Marginal – Performance does not meet some contractual requirements. The contractual performance of the element being assessed reflects a serious problem for which the contractor has not yet identified corrective actions or the contractor's proposed actions appear only marginally effective or were not fully implemented.

U     Unsatisfactory – Performance does not meet most contractual requirements and recovery is not likely in a timely manner. The contractual performance of the element being assessed contains serious problem(s) for which the contractor's corrective actions were ineffective.

N     Not Applicable – Unable to provide a score. Performance in this area not applicable to effort assessed.
